

Rangi Ruru
Girls' School

THURSDAY 3.30-5PM CREATIVETECH

Interactive hands-on creativity with electronics.

Learn how to interface computers with the real world.

Starting with the basics of electronics, and progressing to more complex projects, our CreativeHub sessions will help you control the physical world with sensors and actuators.

The sky's the limit for creative technology engineers.

Limited to 12 participants. To enrol email Mr Widdup

r.widdup@rangiruru.school.nz
